

# Bleeding Hemroid - Piles Cure - Hem Relief

**H**emorrhoids are abnormally large sacs of veins and mucous membranes in the rectal area. It may cause swelling near the rectum due to the loss and decline of the vein walls and its lack of ability in order to sustain pressure. It can be internal or external however whatever type of hemorrhoid it is it can continue to help to make your rectum swell and bleed.

- Are you sick of the itching burning pain swelling or perhaps bleeding down there?
- Aren't you frustrated because it's completely embarrassing to ask for advice on this potentially crippling condition?

## Discover My 100% Natural Cure for Hemorrhoids that Actually Works in 48 Hours

Hemorrhoid treatments and causes are well documented. It is important though that you choose a treatment that focuses on the root cause of hemorrhoids not the symptoms. A number of these treatments are effective several are unproven but most of the information available offers you simple basic information about hemorrhoid causes symptoms and potential 'cures.'

- Has been estimated that 50 percent of all Americans over the age of 50 suffer from thrombosed and bleeding hemorrhoids.
- It is also estimated that as many as 89 percent of the population will have hemorrhoid problems and symptoms over their life time.

Maintaining a healthy diet is important whether you suffer from hemorrhoids or not. For many who do have hemorrhoids diet becomes crucial while you have a very slim chance of curing hemorrhoids if your diet is actively making your situation worse.

“
