

# Herbs For Hemmeroids: Hemorrhoids Can Be Horrible, Use This advice To Sooth The Pain!

Squat, don't sit within a bowel movement to prevent hemorrhoids. In countries where people squat instead of using a sitting potty during a bowel movement, hemorrhoids are very rare. Purchase a foot stool to be able to keep your feet elevated, or perhaps attempt to squat with your feet on the seat to prevent hemorrhoids.

- Instead, encourage them to take foods who have laxative attributes such as prunes, prune juice, figs, and dried fruits.
- If there is really a need to use a laxative, choose those fiber based stool softener to get buff the stools and make it easier to move.

Because the elderly usually have a difficulty in passing stool, several resort to using stimulant laxatives to be able to help with the bowel movement. Prolonged use of laxatives is actually not helpful in the long run. People may become dependent and cannot pass stool without needing these.

- Along with that, permit them to drink plenty of liquids also.
- It is also useful to let them drink water with meals, instead of between meals, as this can help soften the fiber and make it easier to pass.

## Use Moist Towelettes Instead of Regular Toilet Paper

Some toilet paper brand names can be tough and dried up, which can increase itching and pain. By using a moist towelette, you can provide relief to the painful area. Stay away from paper towel on your rectal area, as they are usually difficult and not intended for sensitive skin.
